Who we want to design our car?

One of the greatest Formula One designers Adrian Newey:

- Has been designing F1 cars since 1981
- His designs have won 12 World Constructors Championships
- Is currently the Chief Technical Officer for Red Bull but will be leaving at the end of 2024

Who will design our car con.

Why Newey:

- In modenred F1 his design has won 4 straight WDC
- His design improve with each new one and combined with ferrari will be using engines will leave little competition
